Update on programs

Transformation program

Focusing on:

- The Vita business, to improve its profitability
- Actions in retail, distribution and supply network as well as organizational structure

Targeted annual cost savings app. EUR 17 million

- Subject to the full implementation of the program
- Targeted cost savings are expected to be achieved gradually, and the majority of the savings are expected to materialize after the program is completed (end of 2021)

Costs of the program app. EUR 40 million in 2018–2021

By the end of Q1 2021, EUR 22.5 million of costs had been booked

Restructuring program

Focusing on:

- Synergies and efficiencies in our selling and administrative spending
- Evaluating our entire supply and distribution network for efficiency improvements

Targeted annual cost savings app. EUR 20 million

- Subject to the full implementation of the program
- Targeted cost savings are expected to be achieved gradually, and the majority of the savings are expected to materialize after the program is completed (end of 2021)

Costs of the program app. EUR 30 million in 2019–2021

By the end of Q1 2021, EUR 9.3 million of costs had been booked

Store evolution – Iittala Vintage

Rolled out in all own Iittala stores in Finland in 2019

Expansion to Sweden announced in Q4 2020, as the service was made available in five stores. Decision to expand to all stores in Sweden made in Q1 2021

In February, the kitchenware service expanded to new product categories, as in addition to Arabia, also Iittala, Fiskars and Hackman products are available

In the service, tableware, cutlery, drinking glasses and cookware are available from the same service for a monthly fee

The goal is to provide new alternatives to traditional ownership

Currently available in Finland

Disclaimer

This presentation contains forward-looking statements that reflect management's current views with respect to certain future events and potential financial performance. Although Fiskars believes that the expectations reflected in such forward-looking statements are reasonable, no assurance can be given that such expectations will prove to have been correct. Accordingly, results could differ materially from those set out in the forward-looking statements as a result of various factors.

Important factors that may cause such a difference for Fiskars include, but are not limited to: (i) the macroeconomic development and consumer confidence in the key markets, (ii) change in the competitive climate, (iii) change in the regulatory environment and other government actions, (iv) change in interest rate and foreign exchange rate levels, and (v) internal operating factors.

This presentation does not imply that Fiskars has undertaken to revise these forward-looking statements, beyond what is required by applicable law or applicable stock exchange regulations if and when circumstances arise that will lead to changes compared to the date when these statements were provided.
