Q4

Business review

FISKARS

Operating environment in Q4

- Consumer confidence remained low in Europe and retail trade developed sluggishly in many European markets
- Trade tightened further their control on inventory levels and sentiment remained cautious or even negative
- In North America, consumer and business confidence showed signs of improvement
- Retailers continue to keep stock levels low and are taking time to make additional buying decisions.
- Institutional spending picked up towards the end of the year

Disappointing holiday sales

Q4/2011

- Disappointing holiday season sales for homeware products, particularly in Finland
- Sale of School, Office and Craft products increased in the Americas
- First Outlet in Central European outlet center opened in Maasmechelen, Belgium
- Vitriini awarded prestigious iF design award

HOME

Q4

Outlook for 2012

FISKARS

Outlook for 2012

- The general market situation remains uncertain and volatile, which makes forecasting difficult
 - In Europe, operating environment has worsened, in North America some signs of recovery seen
 - We expect retailers to continue focusing on working capital, and purchasing to remain cautious in 2012
- Fiskars will continue implementing its integrated company strategy, the investment program in EMEA and investments in new product development and marketing
- We expect full-year 2012 net sales and operating profit excl. non-recurring items to amount to similar levels as in 2011
- The associated company, Wärtsilä, will continue to have a major impact on Fiskars' profit and cash flow in 2012

Q4

In a nutshell

FISKARS

Key figures 2011

EUR million	Q4 2011	Q4 2010	Change	2011	2010	Change
