Parking fee and arriving at the meeting via the parking garage:

Fiskars Corporation offers free parking to its annual meeting guests in the Finlandia Hall parking garage.

Therefore, please note that you turn off camera recognition in the app if you are using Aimo Park's parking app "Aimo App", this way you will avoid charging the parking fee from your own card.

At the meeting venue (near the coat racks), please provide your car's license plate number to the staff so that Fiskars can pay the parking fee on your behalf. This means that you do not have to pay for parking when leaving the garage either.

Parking is available in any free, unmarked spaces.

There are signs in the parking garage directing you to the elevator, which will take you to the 1st floor of Finlandia Hall.
